INDIAN OCEAN

India, officially the Republic of India, is a vast and diverse country in South Asia that is the world's most populous nation and the seventh-largest by land area.

Geography and Location

- **Borders:** Bounded by the Indian Ocean on the south, the Arabian Sea on the southwest, and the Bay of Bengal on the southeast. It shares land borders with Pakistan, China, Nepal, Bhutan, Bangladesh, and Myanmar.
- **Terrain:** Features the towering Himalayan mountain range in the north, the fertile Indo-Gangetic plain, the dry Thar Desert in the west, and the tropical peninsular region in the south.
- **Area:** Covers a total area of about 3.29 million square kilometers
